

SAVE CHATHAM DOCKS!

On behalf of SMIRA and the Association of Chatham Docks Commercial Operators, come and hear about the latest plans to Save Chatham Docks and the battle to stop Peel Waters' Basin 3 Planning Application which if approved, would spell the end to Chatham Docks.

Date & Time: Sunday 10th March from 2-5.30pm

Venue: St Mary's Island Community Centre,
Island Way West, St Mary's Island,
Chatham,
Kent ME4 3EP

Hundreds of objections have already been submitted to Medway Council against this Application and you can e-mail your own comments to the Council at planning.representations@medway.gov.uk quoting reference MC/24/0154.

Hear also about progress with our own masterplan for Chatham Docks to create a new employment hub utilising its position as the only non-tidal docks in the South East and our plans to ensure that Medway Council retains Chatham Docks as a working dock in its new Local Plan.

For further details please go to our website www.savechathamdocks.co.uk to find out more.
